Upon review, if it is determined that the allegations, even if substantiated, do not constitute wrongful conduct or the basis of an Administrative Complaint, the complaint will be dismissed.

Within fifteen (15) days of receipt the complaint will be acknowledged by a letter from OEOP stating that the complaint was received and reviewed and advise whether or not an investigation will commence as well as the justification for an investigation.

Some investigations may involve multiple departments and/or require an investigative team with duties assigned appropriate to the nature of the inquiry.
- B. Once an Administrative or Wrongful Conduct Complaint is assigned for investigation, a copy of the complaint will be forwarded to the director of the implicated department. Any individual accused of wrongful conduct or conduct forming the basis of an Administrative Complaint (the Respondent), except for allegations of a criminal nature, will be given a copy of the complaint and provided an opportunity to respond to the allegations in writing. The response shall be forwarded to the assigned investigator and become part of the investigative file.

The City Manager or his/her designee (Assistant City Manager or Deputy City Manager) shall review the investigative package and recommendations and will either concur with or modify the recommended disposition. The City Manager's determination is final. A copy of the final decision shall be provided to the complainant and respondent.

A complaint shall be disposed of with one of the following determinations:
